Focus on Safety

Hunt safely. Always identify your target
and follow the tips below.
Safe hunting is no accident.

- ◆ Be certain what you see or hear is a turkey—not a decoy or person.
- ◆ Do not wear red, blue or white—the color of a gobbler’s head.
- ◆ Consider wearing blaze orange when moving from place to place.
- ◆ When another hunter approaches never wave, stand or sound a turkey call; use your voice or whistle instead.
- ◆ Avoid stalking turkeys. Use decoys with caution.
- ◆ Select calling or ambush sites with your back to a tree at least as wide as your shoulders and where you can see at least 40 yards in all directions.
- ◆ Never assume you are the only hunter in the woods.
- ◆ Be certain no one is positioned beyond the turkey you are shooting at.

Ask First and Say Thanks!

- ◆ The majority of land within Wisconsin’s turkey management zones is privately owned. Wisconsin landowners appreciate hunters who ask permission to hunt and say thanks afterward. This builds important landowner-hunter trust. Remember, entering private lands without permission is unlawful and creates a bad image for all hunters.
- ◆ A Landowner Appreciation Day envelope is included with each turkey hunting permit. Please consider providing the owner of the property you hunt with a ticket to these banquets.

Pick up litter and keep your
hunting grounds healthy!

Attend a free Turkey Hunting Clinic.

Learn turkey hunting tactics from experienced turkey hunters.

Wild Turkey Hunting Regulations Spring 2001

2001 Turkey Stamp design by Robert Leum

Dear Turkey Hunter,

Thank you for being part of one of Wisconsin’s greatest wildlife success stories! The turkey population has established in most of Wisconsin thanks in large part to careful hunting regulation and conscientious hunters. Please help us to pass on this tradition to the next generation. Have a safe and successful spring hunt!

Hunter Selection System

- ◆ Landowners have first preference for 30% of the permits in each zone. Residents who did not receive a permit the previous year, have the next highest preference ranking followed by regular residents. Following residents are non-resident landowners and then regular non-residents. There is an attempt to issue a permit to all applicants, but those who restrict their choices to only the early hunting periods, may receive no permit while others who would accept permits for any time period, receive two. If permits remain after the first drawing, a second drawing is conducted to issue remaining tags.
- ◆ **Fort McCoy:** Applications for Fort McCoy spring turkey hunting permits may be obtained by calling 608-388-3337 or by writing to: Directorate of Training & Mobilization: AFRC-FM-TMR-B (Permit Sales); 110 E. Headquarters Rd.; Ft. McCoy WI 54656-5226. *Note: You may **not** apply for a Fort McCoy spring turkey permit if you already received approval to hunt turkeys in a Wisconsin turkey hunting zone for the spring 2000 season.*

License Requirements

- ◆ Successful applicants (except Conservation Patron and Senior Citizen Recreation Card holders) must purchase a Spring 2001 Turkey License, and 2001 Turkey Stamp Privilege to hunt turkeys with either firearm or bow. The 2001 Turkey Stamp privilege is valid for both the spring and fall seasons. Resident License—\$11.00, Non-Resident License—\$55.00, Turkey Stamp (privilege)—\$5.25
- ◆ Successful applicants are mailed a turkey hunting approval notice, registration stub and carcass tag indicating the zone for which the hunter is authorized to hunt. The approval notice **MUST** be shown to license vendors when purchasing a spring turkey hunting license.

Turkey Stamp and Carcass Tag

- ◆ Due to the recent implementation of the Automated License Issuance System (ALIS), Turkey Stamp Privilege will be issued in lieu of actual Turkey Stamps. Proof or purchase of the Turkey Stamp Privilege will be printed on the turkey license. If you wish to receive an actual turkey stamp for a collection or for other reasons, these can be acquired at DNR Service Centers only.
- ◆ Hunters must have their turkey license(with stamp privilege), carcass tag, and registration stub in their possession while hunting.

- ◆ It is illegal to transfer a license, carcass tag, or stamp privilege, or allow their use by anyone else.

Assisting Other Hunters

- ◆ You **must** possess a turkey hunting license, stamp and valid, unused carcass tag if you possess a firearm or bow *and*;
 - a) a turkey decoy or calling device, or
 - b) a member of your hunting party possesses a turkey decoy or calling device
- ◆ No license is required to call turkeys for another hunter if the caller does not possess a firearm or bow. However, a guide license is required if a fee is charged.

Special Hunts

- ◆ Loew Lake Unit Novice/Disabled Turkey Hunting: Spring turkey hunting is available for a limited number of first time and class A & C Disabled hunters. For information call (262) 670-3400 or write to: KMSF-Pike Lake, 3544 Kettle Moraine Rd., Hartford, WI 53027.

For information or an application (forms 2300-271 and 2300-2712) please contact your local DNR Service Center or the assistant upland ecologist at (608) 267-7473, 101 S. Webster St., Box 7921, Madison WI 53707-7921.

Baiting

- ◆ No person shall hunt by the aid of baiting or on or over a baited area where a person knows or reasonably should know that the area is or has been baited. A baited area is considered to be baited for 10 days after the complete removal of the bait. For more details refer to s. NR 10.12 (1)(h).

Bag Limit

- ◆ The bag limit is one bearded or male turkey per tag issued. A bearded turkey is a turkey with a bristle-like appendage protruding from the upper part of the breast. **Note:** Applicants receiving 2 tags may harvest 2 turkeys on the same day *only if* both tags are for the same time period.
